MONTANA
DIVISION OF FORESTRY
CONSULTANT FORESTER POLICY

It is the policy of the Montana Division of Forestry to refer the private landowner to a consulting forester when the job to be done involves strictly sale of wood products, appraisals, surveying, contract negotiations and disputes, when the job is too large for the service forester to do a quality job in the allotted 5 man-days per year or the resources is capable of paying the fees of a consulting forester and a consultant is available to do the job.
